

Disciples Christian Church Board Meeting

August 23, 2015

The special called meeting of the board of Disciples Christian Church was called to order following the worship service by Becky Johnson, president. Members of the board who were present were Becky Johnson, Jenith Mashek, Kay Bjornen, Carol Smith, Bill Inghish, Cindy Bennett, Adele Moore, Babe Addington, and Roger Alexander. There were 18 additional members from the congregation.

Becky said that there were three items on the agenda. Bill has asked to keep his lap top. Carol Smith moved and Kay Bjornen seconded the motion to give the lap top to Bill. The motion carried.

Becky announced that Patrick Johnson has agreed to be worship chair for the remainder of the year. Cindy Bennett moved and Babe seconded the motion that Patrick will serve as worship chair. The motion carried.

Jerry Bork gave the report from the Search Committee for the Interim Minister. After looking at the resumes of three candidates, listening to a sermon from each, and holding phone interviews, the committee recommends that we hire Scott Taylor to serve as our interim minister. Jerry moved that DCC accept Scott Taylor as interim minister beginning November 1 at a salary package of \$65,000 a year. Jenith Mashek seconded the motion. The motion carried. There will be several people filling in on Sundays until Scott arrives. The search committee for a permanent minister will be selected before the end of the year. At that time the committee will be asking the congregation for their ideas concerning a profile for a new minister.

With no further business the meeting was adjourned.

Respectfully submitted,

Jenith Mashek, recording secretary
