

**CONGREGATIONAL MEETING OF DISCIPLES CHRISTIAN CHURCH  
DECEMBER 11, 2016**

The congregational meeting of December 11, 2016 was called to order by Larry Cowan, Vice President of the congregation. He asked Mike Bouvier for a report on pledges for the 2017 year. Mike stated that we have pledges of \$152,560 with other regular giving estimated at \$32,000. The total proposed budget is \$206,309. Tim Collins reported that there are undesignated as well as Capital Improvement funds in our savings account which can be drawn on this year and next if needed. At that point we need to have increased giving or make cuts to the budget. Kevin Zorn moved and Mike seconded that we approve this proposed 2017 budget. The motion carried.
